

Dr Richard Sullivan

MBChB, FRACP

Specialties: Lung, Brain and Mesothelioma

Dr Sullivan is a Medical Oncologist with a specialist interest in lung cancer, brain tumours and mesothelioma.

Richard studied in Christchurch, Dunedin, Wellington and Auckland. He graduated from the University of Otago School of Medicine in 1994 and became a Specialist in 2004.

Richard is currently the Deputy Chief Medical Officer and Director of the Northern Cancer Network, the Director of Cancer and Blood Auckland City Hospital, and the Director at Canopy Cancer Care.

Richard is the principle investigator on several New Zealand lung cancer research trials. He also sits on numerous national cancer-related committees and is currently the Chairman of the National Adolescent Young Adult Cancer Governance Group.

Richard brings a strong focus on improving experiences and outcomes for his patients and their families when they find themselves embarking on the cancer treatment journey.

Outside of his work, Richard is Chair of Auckland Normal Intermediate School.
